# Dear Sam,

MY wife and I recently moved into a new house on a popular estate and she jumped at the chance to join the local mums' club.

It seemed like a great idea to get her out of the house with the kids — and it seems an even better idea now that she's met up with a bird who's the spitting image of Kelly Brook.

They hit it off right away and are always round at each other's houses and even have the odd night out in the local pub.

Well, I've always been a fan of Kelly Brook and I've been lusting after this woman every time she's popped in. She's got the looks and has a spectacular pair of boobs.

I must have made it obvious what I'm thinking because the other day this bird called round on the pretext of talking to my missus who was out at the time.

I was amazed when she offered me a shag. Should I take her up on it?

SH, Cambridge

Sam says... IT'S a risk. You may get your end away but it could be the end of your marriage.

# Dear Sam,

I'VE been a single mum for two years and I'm quite well-known for being a "fun-time girl" – but I think that's unfair.

Most of the men around here are just as sex-mad but they don't

get the same sort of label.

Recently a new guy moved into the area and asked me out for a drink. We ended up back at his place and I soon had his cock in my mouth. In my mouth.

Then he lay me down on the floor and stuck his tongue deep inside my love-tunnel, bringing me to orgasm.

Next he ordered me to bend over so he could slap my bum as he shagged me from behind.

ne snagged me from benind.

I am keen to see him again but one of his workmates has told
him about my "reputation" and I'm worried he won't want a repeat

session. What should I do?

DS, east Yorkshire

Sam says...
STOP worrying. He doesn't sound the type to pre-judge you.
Just enjoy yourself.

# Bike garage boss gave me the ride of my life

# Dear Sam,

I'M 26 and married to a complete waste of space.

I work in a busy garage that repairs motorbikes. The boss is about 50, well-built and has a big powerful bike.

Last week he offered to take me for a ride on the back of his machine, so I put on a tiny black thong, pink micro mini, knee-high white socks and knee-high black leather boots.

We went to a pub and he led

We went to a pub and he led me round the back, got on his knees and licked my aching clit. I unzipped him. Out sprang his rampant cock, so thick and weak bard

I told him to lie back and I got on top and eased all the way

down on it and rode him for ages.
I came about five or six times

I came about five or six times before he shot his load.

We also did it doggy-style and then he got me on my back with my legs bent back to my chest and rammed in and out.

Do you think I'm right to have my cock and eat it?

After pulling them apart we got chatting and I discovered that he'd just

moved into the area after working for a few years in the south. We kept meeting on our morning walks and I was delighted when he finally asked me if I'd like to go out for a dwisk with him

a drink with him.

We arranged to meet at a local pub and I really enjoyed his company as we knocked back a few drinks.

We ended up back at my place and we had a few more drinks before I led

him to my bedroom.

# Mate's mum helped me fulfil sex fantasy

# Dear Sam.

MY mate's mum is a cracking blonde in her late 30s and I've wanted to bone her for ages – and a couple a weeks ago I finally fulfilled my fantasy.

I'm 19 and I was in a club in town when I bumped into her. She looked great in a tiny dress that showed off her great hody.

into ner. She looked great in a tiny dress that showed off her great body.
We had a few drinks and a dance and I just came right out and told her I'd love to f\*\*k her.
She just smiled back at me and said: "I thought you'd never ask!"

Apparently, she's wanted me for ages too. Anyway, e went back to my flat and we wasted no time stripping off and getting down to business.

### **Pounded**

She took my cock in her mouth and sucked me off xpertly as I fingered her fanny.

I was soon at the point of no return and pulled out

before coming on her face and tits.

I then licked her shaved fanny. She was soon wet and I eased my nine-incher into her.

She was loving it as I pounded away at her until we

YOU'VE had your fun, but you should end this affair before it causes you major problems

# Dear Sam.

I WORK in a posh bar at a weeks ago a group of women held a school reunion there

They all got very drunk and I got chatting to a good-looking one who had long, brown hair.

She was only 5ft tall but had a massive pair of tits and lovely arse.

At one in the morning I told them all that they would have to leave.

Everyone left except two, the woman who had caught my eye and her mate.

I reckon they were in their mid-40s – I'm only 23. I went over to tell them

to finish their drinks and noticed the one I fancied had let her skirt ride up to show the tops of her stockings.

Her mate then said: "He's looking to see if you've got any knickers

Then the one I fancied got my cock out. She sucked me off while her mate took a picture.
I then f\*\*ked the other

one over a table and the busty brunette took a snap

They left giggling and promised to send me a copy of the snaps, but so far nothing.

What should I do?

At the time of writing police don't seem to have many "leads" in finding the culprit and Pickles the dog—who famously recovered the World Cup back in 1966—is, sadly, no longer with us.

Harry Kane is 11/4 with BetVictor having been odds on when his goals led England through the World Cup group stages—he represents a glorious failure rather than Thomas's brilliant success although no cyclist has been given the award since Bradley Wiggins back in 2012. in 2012

Previous winner Lewis Hamilton (2014) is next best at 8/1 with BetVictor but he polarises opinion and is in the best/most reliable car in F1. Alastair Cook has been a fine Test cricketer and went out with a bang at the Oval in the final Test of a wonderful series with India but that was a rare highlight in a poor year for the opening bat.

Thomas is one of those rare British cyclists in that he is not asthmatic, does not use an inhaler and has never applied for a therapeutic use exemption (TUE). Indeed, he said before Le Tour that the medication should be banned.

A dual Olympic gold medal winner, almost univer-

sally liked in the sport he would be a worthy winner. Mo Farah appeared to win because of his cute children in the live broadcast last year but Thomas really does deserve the accolade this year.

England take a 1-0 lead into today's 3rd ODI in Kandy although once gain there are thunderstorms forecast in Kandy and we will be lucky to see a full 100-over

For what it is worth England (1/3 with BetVictor) look good things with Olly Stone bowling a tremendous opening spell in international cricket in Dambulla on

Saturday morning.
Ronnie O'Sullivan called the venue for the BetVictor English Open snooker at Crawley as a "hellhole with a whiff of urine" but that is unlikely to deter the Rocket

in his 2nd round tie with Allan Taylor later today.
O'Sullivan is 11/4 favourite to lift the Trophy on Sunday evening with Mark Selby and John Higgins 7/1.
Selby(1/3) faces Ben Woollaston in the pick of today's games and Selby to win 4-2 is the recommendation at 10/3 with the sponsors.

It's been a bad start for Villa and Steve Bruce paid with his job after winning one of the past 11 games.
It's a tricky debut for Smith and Terry at Premier League dropouts Swansea on Saturday. Abraham has heard

nothing but good things about Smith too and is confident of a good start. He added: "I was speaking

"It's about them finding a style of play, the team are fantastic players but it just felt like there was something lacking, we don't know what it was.

"Hopefully the new manager can bring a change to the team."

Hugo Palmer will be
hopeful of a better performance from COLLIDE when he lines up at Nottingham today.

A well bred son of Frankel who was very well backed last time out at Ayr, disappointed badly on Ayr, disappointed badly on what was very testing ground. His earlier victories gave off the impression that he was a progressive type and I am still of the belief that he is. James Doyle is booked to tide and he and Palmer. ride and he and Palmer have a good strike rate when teaming up. OUR LITTLE PONY owes

nothing to her connections after rattling up three victories already this season which has seen her go up 15lb.

Her best runs have come at Beverley but I see no reason why she won't go well at Nottingham. It's wide open but she does carry bottom weight and with Faye McManoman taking a further 7lbs off she looks a good bet. Any give underfoot will not hinder her whatsoever and the likely strong pace should suit her fine.

I was sweet on THUNDERBOLT ROCKS last time at Sandown but he had a nightmare as he was keen enough and also posted four wide on the Sandown bend.

I am happy to forgive that and he can recapture his earlier form.

The FA alleges that his language was "insulting and/or abusive and/or improper".

He has until Friday to

answer the charge against him.

If found guilty, he could face a lengthy touchline ban.

That could come into effect quickly and mean that Mourinho would be barred from the dugout for Saturday's lunchtime clash with former club Chelsea.
